I declare under penalty of perjury under the laws of the State of California that I am a registered Democrat and that the above statements, and any attached statements are true and correct. I understand that this application is available to the membership of the ANDC (with personal contact information redacted). I understand that the ANDC position of support will be automatically revoked if the Democratic Party of Orange County endorses contrary to the ANDC position of support, and I agree to immediately remove mention of the ANDC's support from all materials in such event.

CANDIDATE QUESTIONNAIRE

Please provide written answers to the questions below (attach a separate page if necessary).

1. What are the top three policies that you would advance as a school board member to strengthen public education?

2. Do you think that your school district is providing an equal education to all its students? If not, how would you improve the district's efforts?

3. How will you address a budget shortfall? Be specific about priorities you would protect.

4. Describe the conditions under which you would a) favor a charter school petition and b) disfavor a charter school petition. Be clear about the distinction between for profit and non-profit charters.

5. What should our district be doing to address school safety, including gun violence and prevention? Please be specific.
